Dear Society for the Study of Social Problems,

What an honor to be the co-winner of the 2008 Social Action Award! It is such a pleasure to hear the news. We will put the donation to good use.

The soup kitchen is abuzz with a fresh crop of fall volunteers. In the past few weeks we have seen the resurgence of numerous school groups who assist with meals and help prepare the kitchen space for the colder seasons.

Meanwhile, the café held some fantastic end-of-the-summer events including our first-ever outdoor dinner and a movie as part of the Roxbury Film Festival. The film was projected on a giant screen while people dined on local vegetables, steak, and banana chocolate-chip ice cream on white tablecloths and china in our transformed parking lot. We were sold out weeks in advance and served over 120 people. This affair dramatically altered the stereotypical image of Dudley Square and was featured as such in the local media.

Thank you so much for your support. You remain in our thoughts.

Sincerely,

Christine Evans
