Dear Professor Hood:

On behalf of all of us at Cambridge Cares About AIDS (CCA), I want to express our gratitude for the SSSP's generous donation of \$2,019.00 raised through your 2008 AIDS Fundraiser at The Boston Park Plaza Hotel & Towers.

Our work of responding to the HIV/AIDS epidemic, especially among those most affected by social and economic inequality, depends on advocates and supporters for its success. We thank you for your organization's work in calling attention to the social forces that generate so many of the problems our clients and participants face, as well as this concrete contribution to our capacity to meet these urgent needs.

Most Warmly,

A handwritten signature in cursive script that reads 'Kathy Power'.
