Since the 2006 meetings in Montreal the Committee has done the following:

- 2) We have distributed electronically a Call for Papers to all Division Chairs asking that it be forwarded to all Division members.
- 3) The deadline for proposals is July 31, 2007. To date we have received 9 proposals.
- 4) The Committee will meet in NYC to discuss all proposals and to select those for development into a complete manuscript following Guidelines to Contributors. We will also discuss plans for distribution of the 2008 publication.
