RE: 2010 Committee Report

DATE: July 6, 2010

The previous year has been a “gearing up” year for the Justice 21 Committee. Activities included recruitment of new committee members, reflection on the experience of producing the 2008 *Agenda for Social Justice*, and discussing future improvements for dissemination of the 2012 *agenda*. In the coming year, the most important items of the Committee’s agenda will be deciding on the mode of dissemination for the 2012 *Agenda* and soliciting contributions for the 2012 *Agenda*.

We thank our committee members for their service to the Society, and we acknowledge the support of the Society. The committee added two new members, namely Brian Klocke and Jon Shefner. All other Committee members continue as active members. At the 2010 SSSP meetings, the Committee will meet to discuss the solicitation of contributions for the 2012 *Agenda*, and possible methods for disseminating the 2012 *Agenda*.

The Justice 21 Committee thanks the Board for its support of this project.
