RE: The SSSP Listserv

Between July 2014 and July 2015, the listserv membership increased from 244 to 256. Listserv subscriptions remained low, but steady throughout the year, with the largest numbers of listserv subscriptions in February and May of 2015.

As with previous years, postings and discussions on the listserv remained low. Moderating the listserv continues to be a simple task, with less than ten new members needing to be added each month.

At this time, there are no new action items in regards to the listserv or listserv management.

It has been a pleasure to serve as the Listserv Moderator over the past year. I will continue my term as Listserv Moderator next year into the 2016 Annual Meeting. At that time, a new moderator will need to be appointed or I may consider a second term.

My thanks to Nancy Mezey for early guidance on listserv moderation and assisting in an easy transition to this position. I also thank Douglas Oeser and Michele Koontz for their help in supporting the listserv and ensuring that listserv subscriptions through the SSSP website run smoothly.
