 Re: 2015-16 Annual Report of the Erwin O. Smigel Award Committee

There were 14 online applications. Of those, 10 applicants did not meet the eligibility requirements. Among those not eligible, 2 were 2015 student members, 4 were 2016 student members, 2 were 2015 unemployed members, and 2 were not SSSP members (1 of these not on the program).

The committee had \$1,500 to allocate, with \$500 maximum award. With 4 fully eligible applicants and relative equity with some diversity between them, the committee decided to split the award amounts equally between the eligible applicants.

We went with the proposed \$375.00 to each of these four applicants:

Asbury	Kathleen
Greene	Dana M.
Itang'ata	Mukaria
Sapinski	Jean Philippe

We need to thank the other committee members (Nancy Jurik, Giovanna Follo) and Michele Smith Koontz, SSSP Administrative Officer & Meeting Manager for her excellent management, for providing all information needed in a timely manner, and for guidance and resolution.
