RE: 2016 Committee Annual Report

DATE: June 30, 2016

The 2015/2016 year has been a very active one for the Justice 21 Committee. The Committee has 1) completed the process of securing and editing twelve chapter contributions for the 2016 volume: *Agenda for Social Justice: Solutions 2016*, 2) instituted a partnership with Policy Press, who will publish the volume in hardcopy and electronic formats, 3) delivered the completed manuscript to the publisher, and 4) been working with Policy Press to market the project effectively. The 2016 volume will appear in both electronic and print versions prior to the August 2016 SSSP meetings in Seattle. An electronic copy is available for free public download at the SSSP's website (http://www.sssp1.org/index.cfm/m/323/Agenda_for_Social_Justice/) and Policy Press is providing the SSSP with 1000 print copies for distribution to members at the 2016 meetings. The Committee continues to operate on a zero budget, and has potential to generate a modest revenue stream for the Justice 21 Project and the Society.

We thank our Committee members for their service to the Society, and we acknowledge the support of the Society. The Justice 21 Committee also expresses thanks to the Board for its continuing support of this project, and the Editorial and Publications Committee for guidance. In particular, the Committee also expresses gratitude to the staff in the SSSP administrative office for their assistance with practical matters, and for the assistance of the Society's webmaster.
