Re: SSSP 2016-2017 Nominations Committee Annual Report

First, I would like to thank my fellow committee members for their service this year: Ricardo Dello Buono, Wendy Simonds, and Stephani Williams. Thanks also to Michele Koontz and the Administrative Office staff for their help in compiling documents and answering questions.

The Nominations Committee is responsible for identifying the slate of candidates that will be forwarded to the Elections Committee, who then contact each candidate to confirm interest in running for election. The Committee was able to compile their list, which hopefully will be sufficient for the Election Committee’s process. However, we experienced two major challenges this year:

1. **Not enough nominees** – By the time the original Nominations deadline of June 15 had passed, we did not have enough candidates for many of our positions (including President-Elect). The deadline was extended to June 26, during which time multiple emails were sent to the SSSP membership, to the SSSP Board, to individuals who indicated interest in running for these positions on their membership forms, and to individuals who previously ran for election. These strategies helped minimally in recruiting some additional candidates, and we will continue to rely on the Board, Division leadership, and other members to help with this process moving forward.

2. **Not enough information on nominees** – During the Committee’s process of evaluating the nominations form, we were faced with the challenge of assessing nominees without enough information on them. Specifically, there were some concerns about the qualifications of nominees for their positions (such as Editorial and Publications Committee – a very important committee). Some Committee members resorted to searching for candidates online, while other committee members chose not to rank nominees who were not qualified. Overall, this led to a great deal of challenge in creating our final list. Simply put, more information is needed in order for the nominees to justify their consideration for positions by the Nominations Committee.

**ACTION ITEMS:**

-I propose that the General Nominations Form be amended beginning for 2019 so that 1) candidates must complete a form for each position for which they are nominating, and 2) the “Other Relevant Experience. Please specify.” box is now titled “Please describe your experiences relevant to the position for which you are nominating.” and is now a required field [See attached form: “General Nominations Form”]

The 2017-2018 Nominations Committee will include the following members: Bhoomi K. Thakore (Chair), Kristen Budd (Chair-Elect), Omari Jackson, David Lane, and Stephani Williams.
