ACTION: The Board approved to support a graduate student in the Department of Sociology at UTK at actual cost up to the cost of a 9-month appointment at UTK for a Graduate Teaching Associate-50%, plus the cost of an academic year tuition waiver (fall and spring semesters). The Executive Officer and Treasurer are empowered to negotiate directly with UTK.

Part D: Further Discussion on Creating a New Full-time Position: Assistant to the Administrative Officer. The Board strongly supported this in both spirit and practice, as the functioning of the Society relies on the important work of the Administrative Office.

ACTION: The Board approved the creation of a full-time position, via the conversion of the Administrative Assistant position in the Administrative Office to a full-time position as Assistant to the Administrative Officer.

Part E: Further Discussion of the OUP Contract Financial Component
EO Héctor L. Delgado clarified the three contract financial component options presented by Oxford University Press for copy editing and managing editor components of publication of Social Problems.

ACTION: The Board approved that, moving forward, OUP assumes the copy/production editing and that any new editors-in-chief of Social Problems appointed will decide at time of appointment whether they will have an in-house managing editor (Option 3) or use a managing editor provided by
OUP (Option 1). This change does not affect the present functioning of the editorial office under the current editors of *Social Problems*.

ITEM #8 – REPORT FROM OXFORD UNIVERSITY PRESS
Laura Bannon, Senior Publisher, Social Science Journals, presented the report from Oxford University Press (OUP). We are 42 months into publishing the journal with OUP. We are seeing attrition in institutional subscriptions, only about 2%, which is lower than the average of 5%. Circulation from 2017 and 2018 YTD information indicate that full-rate institutional subscribers are tending to migrate into consortia agreements. Our circulation has increased via consortia access, with a slight decline in full-rate institutional subscriptions. Print circulation is declining. In 2017, there has been an increase of about 10,000 full text downloads, with HTML downloads increasing over PDF downloads. There was an increase in impact factor and citations. OUP continues to market the journal and its content, especially via email alert systems and social media. OUP establishes goals and metrics on usage, profile, and citation, and the YTD reports indicate that such goals have been met or are on pace to be met by the end of 2018.

**ACTION:** The Board approved the *Social Problems* publisher’s report.

ITEM #9 – REPORT FROM THE INCOMING EDITORS OF *SOCIAL PROBLEMS*
Editor Annulla Linders reported on the status of *Social Problems*. The transition to the University of Cincinnati has been effective, with only minimal glitches. Things are running well. The editor presented the list of members for Advisory Board 2018-2019.

- The Committee noted the assistance of the Administrative Officer in the process.
- There has been enthusiasm for the theme of this year’s conference, resulting in a good number of sessions. The Committee Chair reported on the various highlights among the dynamic sessions and events in this year’s meetings.
- The Committee brought forward a number of recommendations:
  1. Adopt a policy for author-meets-critics session requests
  2. Creation of a policy governing video conferencing requests
  3. Creation of a policy on submitting previously published papers

  5. Recommend that there would be no sign-up sheets for special events
  6. Should there be a plan in place for proposals for workshops that take place at a distance from the meeting site?
  7. Should scholars from economically disadvantaged countries but who are currently at Canadian or U.S. institutions be exempted from paying registration fees?
ACTION: The Board approved the creation of an ad hoc committee (A. Javier Treviño and Amir Marvasti) composed of two recent Program Chairs charged with considering the 2018 Program Committee Chair’s Report Recommendation, to provide the Board with language to implement said recommendations by October 2018.

- So many attendees like coffee and hot tea, and this year the Society will offer both morning and afternoon breaks of coffee and hot tea.
- Last year, the Board requested that the Executive Officer and Administrative Officer explore the possibility to provide child care services or referrals to such services. Michele reported on her research into what cognate associations do for child care. Discussion ensued. The Board tasked one of its members to approach the Accessibility Committee Chair to request that they determine whether the consideration of a possible subsidy for care-giving activities would fall within their mandate. If they determined in the positive, then the Accessibility Committee was requested to respond in a timely manner with possible recommendations for how such subsidy might function.

ACTION: The Board requests that the Accessibility Committee explore the possibility of creating a model and procedure to provide a subsidy for members with care-giving responsibilities so that they can attend SSSP sessions.
