Re: Annual Report of the Committee  
Date: July 9, 2019

The ad hoc Research Review Committee was established in 2016, in response to a request from a SSSP member to the Board to recruit other SSSP members to participate in their research. The Board formed it as an ad hoc committee, for the purpose of reviewing any research requests made of the Society, with Donileen Loseke, Héctor Delgado and myself as members.

The Committee received no requests to review research projects in the past year and therefore had no tasks to complete.
