building on the 2020 slate, which was canceled  
deleted panels from 2020 that were less germane and/or received too few submissions  
(theory, drug abuse and sexual behavior)  
added a panel on queers of color and sexual violence

emails to go out by 7/28 soliciting presiders/ discussants for the panels  
emails to go out by 7/28 soliciting co-sponsors from various divisions for the panels

**Awards:**

2020 Student Paper Award  
(Lloyd ran the selection successfully)  
Need to check with Lloyd that he would like to spear head the selection process again  
this year

Publications awards were new in 2020

even years: peer reviewed article published in the two years prior to the award  
(so the 2020 award was for articles published in 2018-2019)

odd years: peer reviewed book published in the two years prior to the award  
(2021 inaugural book award for books published 2019-2020)

2020 Peer-reviewed article published in 2018-2019

(no submissions for the 2020 award)

problem of communication? How to increase visibility for this award (this was our first  
year)

Put the awards in the online blurb for the Division

those blurbs are modified/ revised in November 2020

Separate email announcing the AWARD  
in addition to the newsletter announcement in September
