Report

The Erwin O. Smigel Award Committee, 2020-2021, consisted of Silvia Dominguez, who chaired Sydney Hart, Chair-elect, and Bhoomi K. Thakore. We were charged with selecting individuals who would attend the annual meeting with the help of this award. As it turned out, we were able to award everyone who requested funds. We also decided to ask that the funds that were left over could go to the Minority Scholarship fund. However, we later found out that it was not permitted. The remaining funds will go back to the organization's budget

Thank you so much for the opportunity to serve in this committee.

Sincerely,

Silvia Dominguez
Associate Professor and Chair
