

# THE SOCIOLOGICAL REIMAGINATION: FROM MOMENTS TO MOMENTUM

72nd Annual Meeting | August 5-7, 2022 | Omni Los Angeles Hotel at California Plaza | Los Angeles, CA

## CALL FOR PAPERS

We are continuing to experience moments that vividly illustrate the inequities, inequalities, and injustices we know all too well. It is the time to turn those multiple moments on our social landscape into momentum – momentum for social justice, momentum for change, momentum for SSSP scholars to move from analysis to action, and momentum to make SSSP not simply the Society for the Study of Social Problems, but also into a society that designs solutions.
