Members:

The Committee on Social Action met on May 18, 2022 to discuss two proposed resolutions. We spent a considerable amount of time discussing the second proposal and forwarded both to the Board of Directors.

1. **Expression of Gratitude** – the CSA advanced this resolution to the Board with no concerns.

2. **Resolution in Support of Academic Freedom Globally** (joining Scholars at Risk) – the CSA advanced this resolution to the Board with a number of recommendations and considerations that were discussed by the board, including consultation with the BFA regarding cost.

Ultimately, the second resolution was changed to an action item, with approval from the proposer. Membership in Scholars at Risk was approved by the board and announced to the membership on June 16, 2022.

I would like to thank all the members of the committee for their diligent and thoughtful contributions to our discussion of the resolutions.

Respectfully Submitted,

Sarah Jane Brubaker, Chair, (on behalf of William Cabin, Stephani Williams, Ebonie Cunningham Stringer, Jerome Krase, and Amaka Okechukwu)
