Doris Wilkinson Faculty Leadership Award Committee Report

Margaret Kelley Chair, 2021-2022

July 8, 2022

Committee members: Jennifer Bulanda, Daina Harvey, Angie Beeman

We received one nomination for Wendy Simonds for the award. The nomination included four letters in support, all of which spoke movingly and in detail about how Dr. Simonds' work has left an impact on the discipline, SSSP, and her colleagues. The committee unanimously supported Dr. Simonds' nomination for this award. We conducted all business by email.

We will not be holding an August meeting.
