RE: The SSSP Listserv

Between July 2021 and July 2020, the listserv membership decreased from 198 to 184. Listserv subscriptions remained low, but steady throughout the year. The decrease in listserv membership can be attributed to a “deep cleaning” of the listserv. As listserv moderator, I worked with the Administrative Office to remove members from the listserv that had lapsed. The policy of the listserv subscription is that members must be current to remain on the listserv. The drop in listserv subscriptions may also be attributed to membership fall off due to the global pandemic.

As with previous years, postings and discussions on the listserv remained low. Moderating the listserv continues to be a simple task, with less than 10 new members needing to be added each month.

Many thanks to Michele Koontz and the Administrative Office staff for their help in supporting the listserv and ensuring that listserv subscriptions through the SSSP website run smoothly. It has been a pleasure to serve in this capacity for SSSP over the past five years.
