From: Mangala Subramaniam, Chair, 2021-2022 Kathleen S. Lowney Mentoring Award Committee

This year's committee had multiple email exchanges to discuss and choose the 2023 co-winners of the Kathleen S. Lowney Mentoring Award. Committee members included the Dr. Soma Chaudhuri, Dr. Laurie J. Linhart, and Dr. Rita Shah.

I distributed the nomination materials for all committee members for review. There were 4 nominations but two of them did not meet the eligibility criteria (SSSP member). Based on the review of the nomination packages, the committee felt that both Dr. Janet Rankin and Dr. Lin Huff-Corzine had very strong letters. So the committee decided that they be named as co-winners for this year. They were notified by me and the SSSP Office,

It was truly an honor to serve as chair of this important committee and a privilege to read nomination materials for excellent mentors.

Respectfully submitted,
