

Same Problem, Different Day:

Recognizing and Responding to Recurring Social Problems

73rd Annual Meeting • August 18-20, 2023

Sheraton Philadelphia Downtown Hotel

PHILADELPHIA, PA

Dr. Shirley A. Jackson, SSSP President • Portland State University

CALL FOR PAPERS Sociologists study the negative and positive ramifications of social change, but as public sociologists, we must embark upon deep introspective research into where we are, where we have been, how we might truly progress structurally and culturally, while doing more to share our work with those outside the discipline and in places where it matters most and has the greatest benefit to society.
