Statement from the Co-Chair Debbie Potter

Dear Colleagues and Friends of the Division:

With the start of July, it is time to start looking forward to our summer meeting, scheduled for August 9-11 at the Westin New York at Times Square. As you plan out your meeting schedule, there are several events we hope you will add to your calendar.

First, the Health, Health Policy, and Health Services Division is sponsoring or co-sponsoring ten paper sessions. In addition, the Program Committee has added an additional Critical Dialogue session on health-related issues, and many of our sister divisions have health-related topics which we were not able to sponsor. There are a lot of intriguing papers to choose from! In a separate section of this newsletter, there is a listing of Division sponsored sessions, along with the individual papers scheduled for each. In addition, LaTonya Trotter from Princeton University who won first place in the Division's Graduate Student Paper competition for her paper entitled, "Constructing Uncertainty, Constructing Skill: Creating New Forms of Medical Expertise through Nurse Practitioner Narrative Practices," will be presenting her work in Session 71, The Social Organization of Health Professional Education, on Saturday, August 10 from 12:30 PM - 2:10 PM in Broadway I. We encourage you to attend this session and hear a bit about her engaging and timely research!

Second, our Division Business Meeting will be held on Friday August 9 from 4:30 pm-6:10 pm in Gershwin II. The Division meeting is where we discuss the session topics for next year's meeting, appoint session organizers, and select members for the annual graduate student paper award committee. If you are interested in serving in any of these capacities or want to help plan these upcoming events, please attend our Division meeting.

Immediately following the Division meeting, our Division-Sponsored Reception will be held

on Friday, August 9 from 6:30pm-7:30pm. This reception is co-sponsored with several of the other special problems divisions, so if you are a member of multiple divisions, this is your chance to mingle with your colleagues from many different special topic areas. Or if the Health, Health Policy, and Health Services Division is your only special problems division, it's your chance to branch out!

A new member breakfast will be held on Friday, August 9 from 7:15am-8:15am in the Broadway Ballroom. Established SSSP members will host a continental breakfast, greeting, welcoming, and networking with new members. If you're a new member, please begin your meeting time by meeting colleagues in a relaxed setting. And if you're an existing member, please come welcome the first-timers!

Division members are invited to attend the Awards Reception, Presidential Address, and Awards Ceremony. Join us for a catered reception with a cash bar honoring our Past Presidents and 2013 major SSSP Award Winners on Saturday, August 10 from 6:30pm-7:30pm. The Presidential Plenary featuring the formal address of President R.A. Dello Buono will follow from 7:30pm-8:45pm. The night will end with the SSSP Awards Ceremony, conferring the 2013 major SSSP awards from 8:45pm-10:30pm.

The Concert to Support the Initiative to End Domestic Violence is a not-to-be-missed opportunity to combine fun, activism, and networking. The Maul Girls will be featured performers at this event on Friday, August 9 from 7:45pm-10:30pm.

Finally, our graduate student members may be interested in attending the annual Graduate Student Happy Hour, scheduled for Friday, August 9 from 10:30pm-11:30pm. Complimentary appetizers and drinks will be provided!

I am pleased to announce that Erin Ruel is the newly elected in-coming co-chair, joining me, beginning at the annual meeting in August and continuing through August 2015. If you see Erin at the annual meeting, please be sure to welcome her to her new role in our Division. I would also like to thank our newsletter editor, Christina Barmon, for her work in putting together the three newsletters we disseminate throughout the year.

Finally, to keep up to date in between newsletters, be sure to follow us on [Facebook](#).

I look forward to seeing you in New York City!

News of Note

- Division Member Marci Cottingham will begin a new position this summer as postdoctoral research fellow at UNC Chapel Hill in the Department of Social Medicine, Center for Bioethics.
- Division Member Stacy Torres won the Outstanding Student Paper Award given by the ASA Section on Aging and the Life Course as well as the Outstanding Student Paper Award given by ASA Section on Community and Urban Sociology for her paper “Where Everybody May Not Know Your Name: The Importance of Elastic Ties.”

Member Publications

Miranda Waggoner has authored “Parsing the Peanut Panic: The Social Life of a Contested Food Allergy Epidemic.” in *Social Science & Medicine* 90: 49-55.

New Division Co-Chair

Congratulations to Erin Ruel, our incoming co-chair! Erin will serve alongside Deborah Potter as chairs of our division in the coming year.

Call for Newsletter Editor

We still need a new newsletter editor! Christina Barmon has been serving as newsletter editor for the past two years and her tenure will be up in August. So the time has come to select a new Newsletter Editor. This is a terrific opportunity for a graduate student or other new members to get to know the workings of the Division. The Division puts out a newsletter three times per year (Summer, Spring, and Fall). The Editor is responsible for compiling news submitted from the Co-Chairs and other Division members; formatting the newsletter; and ensuring that the newsletter is distributed electronically. Tenure begins at the annual meeting in August 2013. Besides the reward of contributing to the ongoing work of the Division, a small stipend is available. If you are interested in learning more or in nominating yourself or another individual for this rewarding and essential position, please contact outgoing editor [Christina Barmon](#) or Division Co-Chair [Debbie Potter](#) for further information ASAP. Be sure to include “SSSP Newsletter Editor” in the subject line of your email.
