

Policy Brief Writing Workshop

FEBRUARY 8, 2023
3:30-5PM ET

Registration Link:
shorturl.at/sxz23

SSSP is hosting a workshop by the Scholars Strategy Network for members who want to learn how to write and share compelling policy briefs. Participants will move through each step of the policy brief drafting process and actively shape their idea into a first draft. The workshop includes practical information on how to distribute your policy brief for maximum impact. Each researcher should come to the workshop with an idea about a possible topic for their policy brief.
