Pat Barret

Rin Ferraro

Julia Wolf

Minutes

-Introductions

-Congratulations to Isabel: winner of the graduate student paper award

-Reminder of election-last day to vote

-Isabel and Leah to remain newsletter editor and social media editor for the time being. Chris mentioned that it might be a good job for an undergrad if we have one to mentor

-Discussion of sessions for 2022

Chris will organize a thematic on the care economy

Rin wants to do something on education and covid-the blurring boundaries between home and school

Julia and Pat will do aging/life course/sex

We will do another Life course, theory, research, practice session this year

I will reach out to Education, sex, gender, about co-sponsorship with some of those.

Julia told us that she does the section website for ASA and would be willing to do one for us. She and I will discuss offline.
